Subject: ICs/deed restriction from CSM call
Attachments: 2013-0709 Outline for Call with EPA-ADEQ re SCM.docx

Hi Gloria:

From today's CSM call, there was a question from both McKesson and EPA HQ on the ICs/deed restriction (see 'Impact of Prior Site Investigation and Remedy on Site CSM for PCDD/Fs' in the attached agenda).

I informed that you are in the currently in the process of modifying the ICs and will be reviewing it with all the stakeholders before finalization.
